

COUNTY OF SAN DIEGO NEWS RELEASE

FOR IMMEDIATE RELEASE
October 10, 2006

COUNTY CREWS TO REPAIR KEY SAN MARCOS/VISTA ROAD *Busy Section of South Santa Fe Avenue to be Repaired Friday*

County crews will repair a busy section of South Santa Fe Avenue Friday, Oct. 13, from 9 a.m. to 3 p.m. Public works road crews will replace a 35- by 15-foot section of roadway at the intersection of South Santa Fe and Buena Creek Road in the unincorporated area between the cities of Vista and San Marcos.

The repair work, which will include digging out old damaged pavement and repaving with some 20 tons of asphalt, may cause minor delays to motorists during work hours. The repair work was scheduled so there would be a minimum impact on commuters.

The South Santa Fe intersections of Robelini Drive and Palmyra Drive will also be affected by this work. Traffic signals at all three intersections will be put on flashing red until this work is completed.
